Because I am an avid knitter and handspinner, these fiber-related vacations are the nearest and dearest to my heart, and I am excited to be able to offer these unique knitting trips to you.

I am an Italian-American fluent in Italian since birth, and I get to immerse you into Italian culture in towns that have not been destroyed by commercial tourism. My life-long friendships with the townspeople of these Alpine Tyrolean villages allow our groups to go to special places and participate in unique activities not offered to the casual tourist traveling on her own. You truly will be inspired by the incredible beauty of your surroundings!

In addition to the fantastic knitting classes with our amazing, world renown instructors, you will enjoy daily excursions to explore the local area. You even will have the opportunity to have dinner and spend an informal evening knitting with local Tyrolean knitters who still knit in the old way. They are excited to meet our knitters and share with you items like authentic Tyrolean lace and cable socks being knit by women who learned the pattern from their mothers and grandmothers.

We spend one day of our signature knitting workshops exploring yarn and bead shops and visiting lacemakers in Venice, eating Tiramisu where the natives go to indulge themselves, and knitting in beautiful and inspiring locations.

WE OFFER UNIQUE AND SATISFYING KNITTING VACATIONS TO NORTHERN ITALY!

- We are the most affordable, land-based, all-inclusive knitting trip abroad anywhere!
- We feature stellar instructors known globally for their expertise and knowledge in the knitting world.
- We offer TEN-DAY packages so you have time to enjoy food and wine degustations, cable car rides, outings to see breath-taking mountains and valleys, yarn and bead crawls on our day off from classes, and a Farewell Banquet featuring a private concert and yodeling lesson from one of the top folk trios in the Alps!
- We have incentives to earn discounts.
- We provide Italian cell phones for the duration of your trip, with my cell number and those of the hotel, taxi service and emergency services programmed in so you have instant concierge and translation services at your fingertips.

I look forward to sharing my beloved Tyrolean mountains and Italy with my fiber family, and hope you
